Operational Status Inquiry

Federal Communications Commission
Office of the Secretary

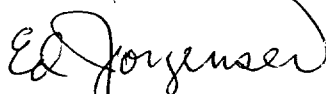

Dear Licensee:

A recent phone call to our office stated that FM Station KMDX is currently silent. Since our records indicate that the special temporary authority (copy enclosed) permitting KMDX to remain silent expired November 1, 1990, you are requested to submit to this office, within thirty days of the date of this letter, a statement clarifying KMDX's current operational status.

If the station resumed on-air operations, please indicate the date such operations commenced. If, however, you require special temporary authority to remain silent, please request such authority, detailing the necessity for continued silence and the steps proposed to resolve the station's problems.¹

Failure to respond to this letter within the specified period may result in action leading to eventual cancellation of the station's license.² If you have any questions regarding the content of this letter, please contact Glenn Greisman, Industry Analyst, at (202) 632-3954.

Sincerely,

Re: KMDX(FM), Parker, Arizona
BPH-891020TB

Dear Ms. Searcy:

Pursuant to Section 73.1740(a)(4) of the Commission's Rules and Regulations, this is to advise the Commission that Station KMDX(FM), Parker, Arizona, went off the air on August 14, 1990. This event occurred because of what the licensee believes was an unjustified seizure of its transmitter by local authorities, at the behest of other broadcasters, for sale to satisfy a debt.

The licensee is attempting to secure replacement equipment and hopes to be back on the air within 30 days of the date it ceased broadcasting.

If there are any questions about this matter, please contact the undersigned.

Very truly yours,

Peter Tannenwald

Request for Special Temporary
Authorization

Dear Licensee:

This is in reference to the request, filed September 12, 1990 by your attorney, to permit FM Station KMDX to remain silent.

Your attorney's letter references the station's August 28, 1990 notification that the station went silent on August 14, 1990 "because of what the licensee believes was an unjustified seizure of its transmitter by local authorities, at the behest of other broadcasters, for sale to satisfy a debt." The request states that the station's general manager "has located a replacement transmitter in Wisconsin and plans to pick it up and drive it back to Arizona."

Accordingly, special temporary authority is granted for the period September 14-November 1, 1990 to permit FM Station KMDX to remain silent. No extension of this authority is contemplated absent detailed substantial progress towards resolution of the station's problems.

Sincerely,

Ed Jorgensen
